---

In accordance with the decision of the Council on 18<sup>th</sup> November 2019, a notice was published stating that Kilkenny County Council proposed to declare the road in the schedule hereunder to be a public road in accordance with the provisions of Section 11 of the Roads Act 1993 in order to facilitate the taking in charge of the estate in accordance with Section 180 of the Planning & Development Act 2000, as amended by Section 59 of the Planning & Development Act 2010.

Written representations or objections in relation to the taking in charge were invited from the public. No objections or representations were received and the estate was completed in a satisfactory manner. In addition, the road is considered to be of a public utility. There are little or no financial implications in taking this estate in charge.

I therefore recommend that Kilkenny County Council resolve to take the estate in charge and that the roads be declared public roads and entered into the roads schedule of Kilkenny County Council.
