## Lifting of Boil Water Notice

### Bennettsbridge Regional WS

**Irish Water and Kilkenny County Council**

**Date: 07/11/2022**

Following consultation with the Health Service Executive, Irish Water and Kilkenny County Council issued a boil water notice on the Bennettsbridge Public Water Supply on the 29th October 2022.

**Irish Water and Kilkenny County Council wishes to notify customers on the Bennettsbridge Regional Water Supply that following the completion of remedial measures and the receipt of satisfactory monitoring results, the boil water notice which has been in place is now lifted with immediate effect. This decision follows consultation undertaken with the Health Service Executive.**

All consumers on the **Bennettsbridge Regional Water Supply** can now resume normal use of the water supply for drinking, food preparation and brushing teeth.

Irish Water and the Local Authority/Health Service Executive Water Liaison Group will continue to meet and will review ongoing process control, monitoring and testing of the drinking water supply.

The Irish Water Customer Contact Centre (1800 278 278) is available to answer customer queries in relation to this water notice. Further information is available on [www.water.ie](http://www.water.ie).

Irish Water and Kilkenny County Council acknowledge the patience, cooperation and assistance of the general public during the period of the boil water notice and greatly regrets any inconvenience caused to householders and the business community.
