In addition, the Council confirms their similar commitment to support community gardens and allotments and proposes appropriate follow up on possible next steps.”

**14 (23) Cllr. Michael Doyle**

“That Kilkenny County Council as a matter of urgency would write to the OPW to request that the Flood Relief Schemes in Kilkenny that have been approved for funding be advanced an allocation immediately for essential drainage works that would mitigate the flood risk to many properties in advance of full Flood Relief Schemes.”

12. *Fógraí i dtaobh Rúin ó Údaráis Áitiúla eile ag lorg tacaíochta ó Chomhairle Chontae Chill Chainnigh - Notices of Motion from other local authorities seeking support of Kilkenny County Council*

**39 (23) Clare County Council**

“I am calling on the Minister for Transport Eamon Ryan to address the chaos being caused to members of the public by the incompetent service currently in operation by the National Car Test Company. This arrangement with a company operating on a monopoly basis is not fit for purpose and should be discontinued with a view to opening up a tendering process for accredited garages in Ireland similar to the DOE process that currently provide a quality service to the public for testing commercial vehicles. The carrying out of a car test on private vehicles over 4 years is mandatory and the government have a duty of care to the public to make adequate provision in the delivery of this service. This proposal would also have the potential to provide employment at local level for many people and provide enhanced opportunities for apprenticeships.”

**40 (23) Cork City Council**

“That this Council notes with concern the upward turn in road deaths, in particular the exponential growth in pedestrian deaths, and calls upon national authorities to review policies that can help reverse this trend.”

**41 (23) Dún Laoghaire-Rathdown County Council**

“That Dún Laoghaire-Rathdown County Council formally backs the call for a Fossil Fuel Non-Proliferation Treaty and urges the Irish Government to support the initiative for a Fossil Fuel Non-Proliferation Treaty. If passed, a letter should be sent to all local Councils, An Taoiseach, An Tánaiste and the Minister for the Environment, and further recognises as part of a just transition there must be ongoing measures to address fuel and energy poverty.”
